

Facilities Management  
10221 Lexington Drive  
Colorado Springs, CO 80920

Bob Lund, Director for Facilities

## MEMORANDUM

**TO:** All Staff Members and Parents  
Aspen Valley High School

**FROM:** Henry Reitwiesner  
Supervisor for Construction and Environmental Services

**DATE:** September 16, 2016

**SUBJECT:** Asbestos Notification

In 1986 the Asbestos Hazard Emergency Response Act (AHERA) was signed into law requiring all non-profit Public and Private Schools (K-12) to inspect for the presence of Asbestos Containing Building Materials (ACBM). Academy District 20 has completed the initial inspection on all buildings in the district and continues to monitor the status of any materials found during the inspections. A copy of the inspection and the Management Plan devised to keep in compliance with applicable regulations can be viewed at the main office of your school or at the Facilities Management Office located at 10221 Lexington Drive, Colorado Springs CO 80920.

Construction of your building was completed in January 1997 and no asbestos containing materials were specified for use in construction. Academy District 20 is committed to providing a safe and healthy environment for our students and the administration is interested in your concerns and suggestions. Please contact the offices of Facilities Management at 719-234-1500 to discuss your thoughts and concerns regarding asbestos.
